

## Agreements Aischylos project

### Aischylos:

- Provides production, direction and costumes
- Provides choral songs, musical pieces and orchestral rehearsals
- provides the basic text and the multilingual script
- provides rehearsal location weekends and location kick-offs
- provides partial rehearsals by school
- provides and makes available content program booklet (in Dutch)
- designs poster
- Provides pupil transportation during performance week
- creates the surtitles in PowerPoint in Dutch, German and French and sends the German and French surtitles to the supervisors of these schools for language verification

### Participating school:

- pays the full project contribution at the start of the project
- releases one or more teachers as supervisor(s) of its students during kick-off, rehearsal weekends and performance week (bus accompaniment)
- Informs participants of rehearsal and performance dates as well as attendance requirements prior to kick off
- provides multiplication of the final script for her students
- arranges play location performance no later than 1 month in advance
- Provides transportation for students during rehearsal weekends and kick offs
- provides necessary stage lighting according to specifications Aischylos
- takes into account possible early departures of students during performance week
- Advocates to school administration for release of participants for the first 2 hours during performance week
- provides and pays for evening meal and drinks for entire cast and crew during their own performance as well as 2 drinks per person after the performance
- Provides necessary equipment and operation surtitles
- provides its own PR
- Briefly introduces Aischylos to audience at own performance venue at start of performance
- Retains receipts from its own performance

NOTE All costs arising from the above arrangements are the responsibility of the participating school

### **Supervisors schools:**

- commit acquisition of participating students by the end of June of the previous school year so that during the large planning meeting at the end of the school year, each school can indicate the indicative group size
- are present during rehearsal weekends and kick-offs
- are available during kick-off and rehearsal weekends to lend a helping hand
- accompany students on the bus during performance week
- accompany students during performance week at the performance site
- introduce to audience at own playing location at start of performance Aischylos and the play

### **Participants:**

- commit to participating in the kick-off and all weekend rehearsals and to participating in the entire performance week
- attend kick-off and all rehearsals and performances on time
- Provide own lunch and drinks during kick-off and rehearsal weekends
